The Lincoln Foundation is having our annual *Silent Auction* on Thursday May 27, 2010 (*held during Open House*). Parents, teachers, neighbors and extended family members will be attending this event and it brings us together for the best cause of all ... making Lincoln Elementary School the best it can be for our children.

This is a fundraiser for our school and we are asking for your help by donating items to our event such as:

- **TICKETS** (to sporting events, parades, concerts, theater, amusement parks, TV screenings)
- **NEW MERCHANDISE** (Nothing is too big or too small!)
- **GIFT CERTIFICATES**
- **ENTERTAINMENT ITEMS** (lunch or tour with a celebrity, autographed promo materials)
- **SERVICES** (catering, party planning, computer assistance, music lessons, tutoring, personal trainer etc.)
- **CASH DONATIONS** (Money donated goes directly towards reaching our goal!)

Your donation is fully tax deductible. Your business name and generous donation will be included in our promotional material to families and community supporters. If you are able to donate, please send donation or call for pick-up (818 279-3111) and include the estimated value using the below form:

About Lincoln Foundation:

The Lincoln Foundation is a non-profit organization formed in 1994 by concerned Lincoln Elementary School parents. These parents felt motivated to raise funds to help fill the void left after the State of California's school funding cuts. The PTA has strict regulations regarding its fundraising from the national organization and needed support to fill the void, thus the Lincoln Foundation was created. We are a non-profit organization under Section 501 (c) (3) of the internal Revenue Code, our tax ID is 95-4518329.
